

Objective: To develop a webpage to display our class timetable in tabular format.

Theory: In this practical we have prepare a webpage using HTML that displays B. Tech timetable in tabular format. In this we have used different tags and attributes. In this all same subjects is having same background color. In this we have displayed lunch vertically. And we have used title tag to display the caption of the table at the bottom.

GLA University, Mathura

Institute of Engineering and Technology

Computer Engineering and Applicaions

Time Table : Odd Semester Programme				Course : B.Tech (CS) Hons.			Session 2021 - 22			
Section : BTech (CS) Hons. : 1A		Semester : 1		Class Advisor : Mr. Gaurav Pant					w.e.f 11/10/2021
